

Easiest Cheesecake

Ingredients:

- *9 inch graham cracker pie crust
- *16 oz cream cheese
- *2 eggs
- *1/2 cup condensed milk
- *Oreo cookies for decoration (optional) 😊

How to make Easy Cheesecake:

1. Preheat the oven to 350°F.

2. Beat the cream cheese at room temperature until creamy (1 minute.) Beat in the condensed milk then the eggs until combined.

3. Pour batter into a pre-made pie crust and bake for 25 minutes. Cool in the refrigerator for 3-4 hours before serving.

Pro Tip: Add toppings of your choice and serve with fruit salad
